Comments

“ I came to know Dorothy when I joined New Hope. I worked with Dorothy on the Mission group. She was fun and a truly nice person. She had a wonderful spirit which will live forever through Jesus.

“ Dorothy and I were friends for over 40 years. We met when we both worked for Blue Cross and Blue Shield of Colorado. I cannot count the number of times we held gatherings at our homes, went to lunch with friends and went shopping. Dorothy was the best person to go shopping with because she would tell you when something looked good on you or if it didn't. She was a truly wonderful friend who stood by me and my family in good times and bad times. We loved Dorothy and James like family. I am so sad to lose my Dear Friend, however, this Woman of great faith will be in the arms of our Father in Heaven. Rest well Dear Dorothy.

“ I was a young women living in Denver working for MetLife in the late 80's and Dorothy was a co- worker. She ways old enough to be my mother yet we hit it off like girlfriends. She was put class. Her sense of style made her a stand out beauty. She and I shared our interest in shoes, clothes and make up and she said to me “ girl you got it going on” and “ you're an old soul”

I remember when she was organizing a fashion show for her church and asked if I'd help write some commentary- we had a ball.

I recently thought of her and decided to google her to see if I could connect with her- to my sorry she had passed.

To her family, please know she left a positive footprint on all who were blessed to know her.

I treasure my fond memories- rip beautiful lady
