“ Keith was my classmate at Montbello High School. I ran into him one day at the store and he was still sweet as ever. I'm sorry I hadn't heard of his passing but once I shared it a lot of fellow Warriors feel the same...he will be missed. MW4L

“ It's sad to hear so late that this brother had passed away. I first met Keith Williams in 2010 and he was a big help to me in my business and was just an all around good guy! We kept in touch over the years and I last talked to him in December. Keith Williams, you will be missed my brother! Thank you Valmy Hartzog Howard for sharing this! I was trying to call him as recently as late May and his phone was still on.
