“ I rememberi used to go over my grandma's house almost every weekend. She always made sure I had what I wanted, she let me eat cookie crisp cereal with no milk while watching cartoon network all night. She called me doodles, lol she knew I loved ramen noodles than so she always made sure to keep me some at her house. Every morning when I got up I woke up to her making breakfast, she always told me to put on my footies as she called them. Her house smelled so clean like pine saw, coffee, and bacon. And she always made sure k knew cleanliness is next to godliness. I miss my grandma so much I just wish so bad I could've spent more time with her.. I know she is in a better place cause one thing she always had was a strong bond with the God. I love you grandma!!!
