“ He was always a happy guy. The last time I saw him a group was going up in the mountains. We were parking over near the golf course. You had to park your car at an angle. I of course was having a problem. He laughed as he tried to tell me what to do. Finally he said, "get out the car Cleo". He then proceeded to park my car. He laughed, shook his head and handed me my keys back. RIP Alton.

*To The Family of Alton Earl Rison,
There are things that we do not understand, but we trust God and know that He is in control. We cannot change the past, but we know that God will give us strength for each day and hope for the future. He sees our sorrow and we are thankful that He is here with us to heal our broken hearts. He promised in His word to meet our need and we ask Him for strength, hope and peace for the family, loved ones, and friends of Alton Earl Rison in Jesus' name. The Reverends Dora & Richard DeVan*
