“ *I worked with Annette for the past 12 years at Staples. I can recall we were in training and came out of training room on the Call Center floor we were put on the same team which was when we first met. She was a work from home agent for years but when she came into the Staples office, we would always share a moment to chat and share a laugh. We met up at a luncheon where a bunch of us would laugh, talk and share some work stories. (Here is our group luncheon picture) You will be surely missed by friend. Tell Darlene I said "Hey" and we miss her when you see her (smile)*

I met Annette when we were assigned to the same team at Staples years ago. I can truly say she was one of the nicest person I have ever known. Always a smile, always willing to help, soft-spoken and kind. She will be sorely missed.
