“ I am so very sad to hear about the loss of sweet Bernice! When I visited with her right before she retired, she was cooking up a storm in the Manual HS kitchen. She was happy, upbeat and looking forward to retirement. She was always so calm and smiling and nice to me. I valued her and the way she treated her team with respect. She was so proud of her family - they were her life. I am so blessed to have known Bernice and worked with her. Thank you for sharing this wonderful woman with us! She will always be in my heart. Your family is in my prayers.
