Heaven gained a beautiful and wonderful lady, An Angel. How rich is that? No matter who you were she always had extended arms a smile and a "I love you". Bertha I apologize that I let the years put distance between us. I hope you knew that I cared about you. I cherished and love the times I saw you, You always made me feel just like I was one of your own. I will cherish the memories you imprinted on my heart. Rest in Paradise Dear Lady. I love you.

Auntie Bertha was a kind and generous person. I have regrets as always that I didn't visit and call more often. She always made you feel so welcome and loved. For our family it was always bitter sweet because every time we saw her we missed my mom more because she looked and reminded us so much of Littie. May you rest in peace and tell our loved ones hello. Pray for us because our mothers are our rock that we live in peace and harmony because that was so important to them. I hope that you along with mame, dadre sisters, brother, nephews and Linda are having a celebration. I'm sure you are with LINDA there. Love You ~ ELEANOR
