“ *Dr. B & Sis. Nellie West,*

On behalf of the West Family, We want to offer our heartfelt condolences and prayers to Mother Bessie Jean Carroll's family.

We learn from Mother Bessie; Life is a journey. While traveling, many people enter your train, and their destination is the same as yours, and they are on their way as of you, they will travel with you till the end.

Some wanted to take the diversion and get off the train, and when they do, people like Mother Bessie tell you how it creates a void on the train and your journey.

Mother Bessie, some part of the time, we will merge on the route again and travel with you again.

So there is no scope of saying good byE forever. But See You Later!
