“ *To Bobbie and the entire family of B J,*

We extend our heartfelt sympathy to you and the family. We wish you nothing but comfort and strength at this time of loss. B j would come across the street every Christmas to say hello to all the family members I had cooked for and would always get on me for not baking a coconut cake. He was one that had you laughing all the time, a great neighbor he was.

If we can support you in any way, please let us know. May God continue to keep you and comfort you all.
