“ *Brian Phillip Love was born March 15, 1971, to Charlotte Love (OK) and James Flowers (TX) in Denver Colorado. He was their only child.*

Brian grew up in northeast Denver as the youngest of five children to Charlotte Love. His elder siblings are Avis Love, Kenneth Smith, Lorenzo Hawkins, and Patricia Love-Beard. Brian is the eldest of his fathers' children; sister Patrice, and brothers James Jr., Keithon, and Christopher who reside in Texas with their parents, James and Gwendolyn Flowers.

Brian showed talent from a very early age! He was very talented with drawing, barbering, and designing on jeans. Brian graduated from Denver East High School and Langston University (LU) in Oklahoma with a degree in Industrial Technology. He worked on Denver International Airport's Concourse C with King Harris Construction during the summer. Brian is blessed with so many childhood friends and college classmates with whom he still maintained extremely close relations!

To many, he was known as “B Love” and had a great sense of humor! His family remembered his clowning us about “Mr. Lion”! LU's mascot! Brian is one of 10 graduates of Langston in our family!

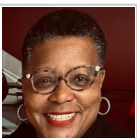

Brian is preceded in death by his mother (2004) and oldest brother Kenneth (10/2017). He leaves his son Julian, and a large extended family, including former in-laws and numerous friends to celebrate his brief but loved life!

“ Brian,
I can remember when I first saw your face, you had the biggest smile
Takin' on my goals, you came in and you lightened my load
Oh how sometimes we could disagree, oh but you kept your cool
So many cherished memories, so many joys.

*I feel ... I'm feelin' pain
I feel ... I feel your face
I feel ... I feel you watchin' me
Hope I see you again ...*

*Forever in my heart and soul
Forever my friend
Forever my LOVE*
