Mrs. Mary Fields and Family..what a beautiful celebratory homegoing service for a wonderful and well deserving man! . Mr.

Fields was like a dad and big brother and definitely a brother in the Lord. . Always soft spoken, with a big smile. I have known Mr. Fields since I was seven years old, as our families were all there at Zion growing in the Lord together. Words are hard to find on the loss of Mr. Fields, however I express my deepest sympathy to the family. Steven and I were classmates and I was treated like the big sister to the family or from the brothers and sister I did not have. Thank you family for providing me that Honor.

I will certainly miss Mr. Fields and his compliments and encouragement when I would sing. When walking into Zion for Church services he was right there to greet me with a smile. He and my dad were close friends as they both served on the usher board for many years. Wow, working at the post office for so many years and only taking “maybe” seven days off as a sick day is a wonderful testimony to work ethics - He was always there to give my mother a helping hand when she needed I t and Brian certainly assisted as the bus driver. Rest in Peace Mr. Fields – You have earned your reward – God is definitely smiling on you. You, mom, dad, George and so many other member of Zion.. are all together in that heavenly realm at peace - Until we meet again. Linda F. Donna
