“ *For years, Cecille and Carol would braid Roy Castleberry and myself hair. That is how i met the Sutton family over on East 22nd Ave. Cathy was the baby girl. She was always so sweet to me. I would like to leave you with scripture...But I would not have you to be ignorant brethen concerning them which are asleep, that ye sorrow not, even as others which have no hope. For if we be believe that Jesus died and rose again, even so them that sleep in Jesus will God bring with him. For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep. For the Lord himself shall decend from heaven with a shout, with the voice of the arch angle and the trumpet of God: and the dead in Christ shall rise first. Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words. Sutton family I love you all and are praying for you.*

“ *My Dearest Cousin Cathy,  
I will miss you deeply and appreciate the lifelong friendship. You were always kind and accepting to me, and I knew I had a best friend in the world! I loved going back and forth between our Mothers' houses, happily cruising the Eastside, laughing and joking about all in life. It was nice to have children of similar ages and commiserating about our Motherhood experiences. On 11.25.2021, I sent you a text message that will never be answered, and that breaks my heart. But I know you are in the arms of Jesus, and celebrating life with those that have loved us and gone to Heaven before us. Thank you for your love, you will always be in my heart.  
I love you,  
Cousin Deanna*

“ Cathy,

*My dear sweet cousin. I still remember all the memories when I visited as a young child. Always laughing and telling jokes. I laughed every time too would call Ceceille's name. Ceille would look at you and say look Cathy. Then Carol would step in and say all right you guys. She kept us all straight. I still remember the time you took me and Conrad to Lakeland Amusement Park. Those were some good times. Take your rest. I love you cousin*
