AM

“ Charles and my 2 boys Mike and Josh grew up together since the 2nd grade. Charles was like a son to me growing up and he even called me mom. I am truly going to miss that infectious smile he had! He is loved by so many friends and family and will be so missed. I will forever cherish the great memories I have of Charles through the years! I love you son! Until we all meet again please watch over your family and friends!

Angela Myers - December 08, 2016 at 02:51 PM
