“ I have always believed that it's never the amount of time you have known someone that matters but the impression that is made upon meeting someone for the first time. I'm grateful that we have been blessed in meeting and getting to know Herbert . I will always remember how he embraced our son as his own , influenced him , loved him , was a great example , that will be in our memory forever as will he . Although I wish we could have had more time I'm so pleased that god allowed our paths to cross. May you Rest In Peace.
