“ *I remember in March and April this year Claude, Glenda and I were viewing some townhomes and condos and we came across one that I absolutely fell in love with.*

We decided to pray over this property and Claude prayed the most uplifting moving prayer ever.

Glenda, my prayers are with you and your family, you have my sympathy. Claude was a class act, a real gentleman, a man's man, good friend and also very down to earth, we miss him, if should need anything, I am just a phone call away. The Lord called him home, no more pain. I know with your strong faith, the Lord is by your side every step of the way, I know that you will trust in him. Thinking of you and family at this time, in prayer Amen
