“ Dear Family - Mother Curry earned her angel wings and she is now resting in the comforting, loving arms of our Lord. She was a faithful servant and loved our Lord. May you always cherish the good times over many years -you shared with Mother Curry. God Blessings.

“ Welcome home my good and faithful servant was the first thought that came to mind after receiving the call that Mrs.Cynthia had passed. Too many memories to think about for someone who was our good and loving neighbor . She was more like family. to my mother and sisters and brother as we grew up. Then on to love my children. I was glad that we kept in touch with each other after she went to Denver. I will miss talking to her on the phone. Rev. Thomas and Loretta and the rest of the family know you are all in the thoughts and prayers of those who love you. May God's Grace and peace continue to make a home in your heart and bring comfort to sustain you through the coming days.

“ We are deeply saddened to hear of the passing of Mother Cynthia Curry and extend our deepest sympathies. She was a devoted, trailblazing ambassador for Jesus Christ who was never ashamed to speak of his goodness. From throughout the Ohio Valley, to Denver, Colorado, she left an immense impact on every person that knew her. Even though God has called home another faithful servant, rejoice in knowing she finished her course, kept the faith, and has received her crown.

We pray that God will guide you each step of the way during this difficult time.
