“ Auntie we're gonna miss you! Growing up i looked up to some strong beautiful black women. You all paved a way for me as i grew up. You may not know but i stood back and listened when i probably shouldn't have. Thank you for being you and love us like you did. You we're a true fighter!! I'll always remember our talks. I love you and miss you so much! Rest in Heaven! I'll see you soon.
