David Owen Walker

12/21/1954 – 12/5/2023

David Owen Walker was born in Chicago, Illinois on December 21, 1954 to Jean Ann Walker and James Arthur Walker. When David was a toddler the Walker family relocated to San Antonio, Texas and then to Denver, Colorado where David and his five siblings grew up and attended school. David attended Columbine Elementary School, Graland Country Day School and obtained his High School diploma from Fountain Valley Boarding School in Colorado Springs, Colorado.

Throughout his adult years David pursued various entrepreneurial ventures and held a variety of jobs predominantly in sales and telemarketing where he thrived and excelled due to his glib tongue, interpersonal skills, quick humor and natural knack for persuasion and holding interesting conversations. David was intrigued by all branches of science, especially astronomy. He loved to talk about the orbit of planets, mysteries of the solar system, black holes, lunar eclipses, galaxies and other aspects of astronomy. He was fond of fast cars, old cars and enjoyed collecting vintage model cars. David was an avid lover of nature and looked forward to long get-aways to commune with nature while taking long hikes in the Colorado Rockies alone or with friends.

During his lifetime David was presented the Gospel message of salvation through repentance and belief in Jesus Christ, and given many opportunities to make peace with God. He often prayed to God. But only God knows whether or not David believed in Jesus for the saving of his soul. We pray that David did indeed make his peace with God before departing this life on December 5, 2023 – two weeks before his 69th birthday.

David was preceded in death by his mother, Jean Ann Walker (1996), His father, James Arthur Walker (1999), his youngest brother, Stephen Kirk Walker (2005), his oldest sister, Leslie Jean Walker (2009), and his oldest brother, James Arthur Walker Jr. (2021). David leaves to mourn several friends, his stepmother, Wilma Walker and his two older sisters: Phyllis Walker and Leah Walker Ingram.
