“ When I moved to Denver, Sister Stewart was one of the first people that befriended me.

She was always very kind and patient. I'm really going to miss the nightly phone call from her. She would remind me that she had to get off the phone because the news was coming on. Most of the time, she would end the call by saying "Jesus loves you and I love you and there ain't nothing you can do about it". That would be followed by laughter. I look forward to the time when we shall meet again. Rest in peace, My Friend.

Sis. Stewart was a bright light in my life. She would call and check on me and her church family consistently. I looked forward to her call. She showed just how much she cared, always being an encourager. She was a part of the Mass Choir and served faithfully. She was small in stature but a giant at heart. I will truly miss her warm smile and sense of humor.

My heartfelt condolences to the Stewart family. Please be encouraged that Sis. Stewart has gained her reward. She is home with the Father and I know he is well pleased.

Well done thou good and faithful servant. Take your sweet rest.
