“ I remember SMSgt Cotton from when we were assigned together at Thule, Greenland. A fine man.

“ I will miss Uncle Emmitt very much. I loved his world traveler stories and his true classiness. It's awesome to know that kind of goodness runs through my veins too.

“ Joe will be dearly missed. Even though he hasn't been living at home for a while, as I drive by, I still expect to see him sitting on the couch in his garage keeping an eye on the neighborhood. He was generous with his time and willing to lend a helping hand. I will always be grateful to him for helping me dig out my driveway during a blizzard so I could get my car into my garage and the numerous times he brought our trash cans up to the garage during strong wind storms to keep them from blowing away while we were at work. Our most heartfelt condolences, Mae. Love, Mike and Marie Serra.
