“ On the anniversary of that fateful Tuesday when we lost Pastor Felix I just want to reflect. Pastor Felix and I met in Tucson, Arizona as part of the same Baptist Convention. He and Kotane moved to Denver, Colorado; Denise and I followed some years later and then joined in him with and Restoration Christian Fellowship (RCF) and Ministries.

We played stages together, grew the church, grew our families, traveled the globe, and serve the Lord with excellence. Pastor Felix was not my peer but my Pastor. A friend none the less. He was a trailblazer for me in missionary logistics, music, sound engineering, and a preaching mentor like non other. I don't know why the Lord allowed our paths to cross but He was very thoughtful in allowing Felix Gilbert to be in my life. I am a better man of God from our time on earth. One of the many faces I hasten to see in Heaven.

Grace and peace to our RCF Senior Pastor Kotane and to the family as they continue to close that chapter and continue moving on in the Lord's work until they reunite in heaven with Dr. Felix.

“ Was in the Air Force with Felix at Davis-Monthan AFB, he lived next door to me in the dormitory. I remember he had a white 77-78 cougar and I had a 77 t-bird. My name is Tim Hargrove. He was a cool dude when I knew him and was sorry to hear of his call to glory, my prayers go out to his family and friends.

“ To Pastor Katone, the Gilbert Family and the RCF Family,

With sincere and heartfelt love I extend my condolences at the homegoing of Pastor Felix. What an AWESOME Man of God! He brought such joy to everyone he came in contact with! But he was a true friend and encourager. I

Pray God's Loving Arms enfold you through this journey knowing the time will soon come when we'll see him again! I can't help but be reminded of some of the words from Janet Paschal - Another Soldier's Coming Home:

Strike up the band assemble the choir

Another soldier's coming home

Another warrior hears the call

He's waited for so long

He'll battle no more

He's won his wars

Make sure heaven's table

Has room for at least one more

Sing a welcome song

Another soldier's coming home...

Be comforted and strengthen in the Joy of the Lord as you celebrate his life and the legacy he leaves to carry forward!

“ I was honored to have served as his EP for nearly two years. I am not standing today without his support and sacrifices during that time. We shared many conversations, hopes and hurts, and we celebrated mutual healing from the daggers of ministry. I extend love to Pastor Kotane and her amazing family. My heart aches with you but rejoices because reunion is promised. To my RCF family, win Aurora! Pastor and I talked about it always! Win Aurora by serving Aurora by loving Aurora by being good neighbors. GOD is with you and has gone before you!

I already miss you and you were more than a pastor to me. You were a friend, mentor, and truly cared about your family and church family members, and for thank I will always hold a space in my heart and memory of how great of a Man of God you truly were. Heaven opened it's gates and the angels sang, while God welcomed you home.

“ From Bishop Brandon & Latonya McGee

Dr. Felix Gilbert was a profound person, a teaching training Pastor. In 2012 I came to Restoration and he taught me a restoring way ministry. On the first day of MIT, he said, I bet I can convince you that you do not need a commentary and he was right all I needed was Christ in me. Thank you for your impartation and your friendship.
