“ We will be in prayer for Roger and the family each day from now forward. We thank God for all the special and wonderful shared memories of our times, various projects in our DST sorority, and the travel spent together these past several years. Frances will be definitely missed, but always remembered for all the laughter, hard work, joy and love that she freely shared with all of us. May God bless her soul and provide comfort as we mourn her departure. Linda and Chuck Leali
