“ I remember mr Polk was great man, spent many days and nights at his home on krameria St with one of his boys picces we had lots of fun and many memories with him he watched me grow into a woman. He will truly be missed as I found out the hard way, I pray all kids are good and may God bless you and continue to keep you in his arms. Always (Christina) aka apple head

“ I remember Freddy coming into our office. He was a sweet man and very giving. He was working for the cab company and he was always in a hurry to get back to work. Sending my condolences to his family. He will be missed!
