“ I knew Fredine from kindergarten, at whittier. She was always a a friendly lovely person. Our paths did cross down through the years. The last time I say her she was picking up her grandbabies over by Whittier. My condolences to the family.

“ Fredine, so many years ago, you, Starla, Imogene, Edwanna and myself, started a girls group at the girls school we were living in. Your beautiful voice and our voices blended so good together, we called ourselves the Soul Sisters, and all the girls living at the school, always wanted to hear our harmony and songs we sang. It was a treat to us and to them. We all got along so well like true sisters. Later on in life you befriended my son Gerald, from the barber shop. I was so surprised because I had not seen you in years, and delighted that my son had a chance to be a friends with you as well.

I have thought of you over the years and how I used to bug you to harmonize with me the song Moon River. Your voice was so so beautiful. I love you my friend and soul sister.....Rest in God's Eternal Peace....we will meet again and sing our songs. Love to you, Debra Watson, Gerald Scott and Starla Hawkins.
