“ *Morning Family. This was very interesting concept. On yesterday, while the family was viewing their loved one Greg. They started singing an old time favorite. By the OJ's. Stairway to Heaven. While listening this came in my spirit. Gregory is on that stairway. My question is how many of us. Can say that we are on that stairway. I don't know about you. But I want to be on that stairway. The Bible tells we confess with our mouth. "Romans 10-*

“ *Our deepest condolences go out to Carolyn and Gregory's entire family and friends. We never had the privilege to meet Gregory in person but always seen the happiness he brought into our dear friend Carolyn's life, it almost felt we knew him. He gave laughter, love and kindness and his memory will continue to bring love into all your hearts. May the Lord's words and promises bring comfort to you all in this most difficult time.*
