“ To the Feldon family weeping may endure for a night but JOY cometh in the morning blessings to the Feldon family, my name is Parnell McGee II and I worked with Gwen at Kaiser Permanente for many years until she retired, she was truly a great Friend, Colleague and Mother figure, she was a joy to be around and her southern hospitality was always with her to share with others, she always treated me like a son as the other young men that worked at KP! She always brought me tamales with sauce, lol, she was a hard worker, she will be greatly missed, love U Gwen R I H, from your friends at Kaiser Permanente, Parnell, Kathryn, Ricky, Tina and a host of others that adored U here at Kaiser Permanente!

Sincerely, Parnell McGee II

“ Ms. Gwen I was so blessed to call you my friend. Whenever I was sick and in the hospital you made it a point to either call or text me everyday. You always made me happy. May you swim in the oceans now and not just put your feet in them! Peace my friend.
