“ To Dale and our family. We celebrate the life of our aunt and friend.. I have so many memories coming over to her house for the family barbecues. Drinking coffee with her and my sister, like we were grown. She always made you feel special. You are up there with the rest of your siblings. Gone but not forgotten.

“ Aunt Helen, rest in peace.
Dale and family, We have lost yet another leaf on our family tree. My heart is heavy, yet there are so many great memories of her over the years! We will miss you Auntie!
