“*Hugh and I were raised together. He was a handsome, intelligent and talented man. He loved deeply and had a wonderful sense of humor. When we were little if one of us got into mischief the other one was always involved. We were very close and later in life went in different directions. One of my deepest regrets is that we were not together in our later years. He had a beautiful soul. Please rest in eternal piece my wonderful Hugh. I love you.*”
