“ *Condolences and blessings to the James Walker family. James Walker was best friend with my children's father, Cornell Norris. He has always had a happy spirit and crazy as a bessie bug! We all loved him. He would come by weekly to see us. He called Lonnell (Bear) his nephew and Shonnell (Booboo) his niece. I was always his sister (Shonnie). He would say "Did you make spaghetti this week?" "Just put me a care package together please!" "I gotta go!" (Always in a hurry) to know him is to love him. I'm going to miss his loud music pulling up to the shop-bugging everybody! Your calls everyday, and all the pictures you'd send! Love you and we will miss you James.*

I met James when he lived with Cornell. A forever ago. I still ache when I think I'll never see James again.
