TM

“ *The Cohens and all the staff of Iron & Metals purchased the Grande Gourmet Fruit Basket for the family of James Anderson Womack.*

The Cohens and all the staff of Iron & Metals - October 28, 2016 at 11:37 AM

KA

“ *Mr. Womack was a customer at Iron & Metals for many, many years. We enjoyed his sense of humor and his positive attitude. He always brought smiles and a good laugh when he visited with the gals here in the office.*

I want the family to know that we valued his business, but most of all the fact that he became part of the IMI family of customers.

We'll all miss him very much.

Kathy and the office staff
