“ My name is Roscoe Crawford Jr. and me an Micky go back to our childhood and growing up in East Denver. I remember him an his brother hanging around on 20 second an Ogden St., not knowing than that he would grow up with so much talent to give, an the people who were lucky enough to receive some of the things he produced, and others he taught know he was a present sent from God to help make life a little better here on earth. He was really a qualified person but at the same time a quiet talented person who was not to involved in his own life to stop and help others in need. He was a man who was liked by so many. Jesse was his name but those who new him from childhood called him Mickey I know he will be truly missed by many of us. I'll just say see you later "cat" on the other side.
