“ *My condolences to those most touched and affected by his passing. May God cover you all with a blanket of His Love. My memory of John Henry was simialr to a big brother; that I admired and was honored to know. I will remember the deep commitment he had for the 'classic Chevy' car. When you push a car from one end of the BC's the other end, you earn a sense of value!! May the brother, rest-in-peace and may those that was dearly touched, loved and enlighten on self-worth carry on his memory strengthen and motivate with fund times!!!*
