“ Yo I am max I knew kallen for about three years until he died I even went to his viewing but my favorite memory was when I went to the Halloween parade and we got to give out candy and all the times we watched anime and had those sleepovers and good ye was hard but I want to know we're kallens ashes were spread because I want to be able to visit my best friend the one that cared more than my family and understood my issues even when I couldn't discribe them. If anyone knows how I can know we're to visit him my phone number is (720)-546-3675
