“ I met Katherine "Kat" (as I knew her), more than 50 years ago. Her sister Joyce and I were best friends in the 70s, and I spent a lot of time at their mother's house with their family. Katherine was one of the kindest people I've ever known. She had a warm smile and laugh that drew you in and made you feel welcome and comfortable around her. She was good-natured, easy-going, and funny - even when she wasn't trying to be. One fond memory I have is of the evening I decided to let her pierce my ears. I lost my nerve and tried to "chicken out" but she wouldn't let me. Instead, Katherine did this whole routine about piercing ears that had everyone laughing. She laughed so hard that she had tears streaming down her face through the entire piercing procedure. ~ It was a blessing to have known her. Neddra Niblet

To the Family of Katherine. My Beautiful Friend Katherine was one of the sweetest, loving, caring, giving people I've known. Her laughter was infectious, and was something she loved to do. I will never forget her. My heart cries, but this is an appointment we all have to meet. To Katherine's family, so sorry for your loss. May Katherine rest in the Love and Peace of God.
