“ Many people are not aware that Kenn was very intellectual and inquisitive. He had a devout faith in God and had become a minister in 2001.

Kenn had sent letters to the White House on more than one occasion and received responses from at least three U.S. Presidents!

Around age 18, Kenn began a "feed the homeless" program in Denver, CO. He borrowed a truck and picked up food from various downtown Denver restaurants then fed those living on the streets!

Although Kenn had struggled with health concerns for a couple decades, he was not one to complain. Rest in peace my brother!

“ Kenn, I am so sorry to share this, but 18 days later after you transitioned, our youngest brother transitioned. You both were sick and now you're both with GOD. My heart is heavy but I know you're in a better place with no more sickness, no more pain!

“ Kenn, what can I say? You're the first of the 5 to go. You always had so much to discuss and your mind never stopped. You fought the good and very long fight. God kept you until he took you home to be with him for that closer walk.

Love you, your sis, Avis
