“ My husband and I just found out about Larry's passing. Truly a kind soul. Everytime we would cross paths in the neighborhood, which was often, he'd light up and talk to us. We will miss him. Our prayers go out to his family and friends. Till we see you again Larry, lots of love.

“ To the family : I will always remember Larry as one of the best Base Guitar Players I knew.  
You knew when he was enjoying his self, he would walk the floor playing. May God give us all the peace we need.
