“ We lived a few doors down from Mr. Tucker. One day he asked us why didn't we own our own home. We told him it wasn't possible. He told us he could find us a lender and help us get a home. I needed a home with no stairs to accommodate my walker. He found us our new home and now we have been in it for almost 3 years. Thanks to Mr. Tucker we are now living out our dream of owning our own home.
