“ You were truly my best friend. I could call you at any time, whether it be to talk about soap operas, football or gossip and you were always there to talk for sometimes hours. We also used to sit on the porch, drink wine and just people watch for hours as well. I can't believe you aren't here anymore. You were like a second mother to me, and a second grandmother to my children. I miss you everyday. Rest in Love, Mrs. Higsby.

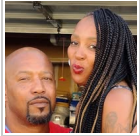

Love,
Karen Mack

“ Still trying accept that my Mother Higsby is no longer with us. The memory of Mother Higsby that I will cherish and practice is her unselfish ness.She accepted me as if I were one of her very own sons she didn't treat me any different,I was one of her son's. I will always remember her beautiful and accepting heart towards anyone that came to her home. And may she at piece with our Creator. It was a true blessing to know the Woman my Mother Higsby. Missing u Mom.

“ Cheryl and Durhonda Higsby, My condolences go out to you in more ways than you will ever know. I am so sorry for the sudden loss of Mrs. Higsby. I will never forget Mrs. Higsby's loving ways and advice that she gave to me on multiple occasions,and forgiving me for my past toxic lifestyle that me and her son Rickey lived and showing me how happy she was that I changed my life and just giving positive advice throughout the seasons after Rickey's death. Mrs. Higsby thank you for everything and thank you for being my 2nd Mom. I love you. To be absent from the body is to be present with the Lord.

I will miss talking with my Aunt on the telephone.. She would always end our conversation saying, "I love you and tell Monique, Nick and everybody I love them," in a very loving and caring soft tone voice. "I love me some, Aunt LaVerne and I will truly miss her."

I pray that she "rest in heavenly peace."
