“ *Our condolences to the Family and may God's peace be with you all. Mack will always be near and dear in my heart because we shared a strong and true friendship. Mack loved being a Dad and grandfather and went to lengths to give the best to his family. He also was a warrior to encourage people to be more than what the world expected. I was honored to be in his life and miss his presence each day. God bless you Mack and rest well. RevDeb and Haynes family.*
