“ I've known Trues (as I call him and as he was called at Prairie View A & M) since maybe 1965, he was one of the “regulars” on campus, one of the boys, so to speak. We were both engineer majors, and friends, another good brother from “the hill” (as we called Prairie View) is gone you'll, will miss you my brother.

I have known MELVIN since 5th grade at KIRK-WILSON ELEMENTARY in WACO, TEXAS. MELVIN and I played sports together in high school and he was an excellent teammate. I will miss MELVIN, I pray that the Lord gives his family the healing power. My family and I will be praying both with and for you.
