“Nathan Jr., you are fondly remembered for the yearly trips to Franklin. Your non stop driving trips which resulted in two days of you sleeping upon arrival. One year you drove through a snow storm and took refuge in the cabin of an 18 wheeler. There was always a story from those trips. I remember my mom , Aunt Lizabeth, always hiding pecan candy just for you. I searched many cabinets looking for that candy. We didn't see you often enough yet you captured a special place in all of our hearts. Rest In Peace Dear Cousin.

I'm glad that I was able to cook and get to see you enjoy some of your favorites like gumbo, fried catfish, fried oysters and red beans and rice, and of course my pork roast that you loved and enjoyed. Rest well Nathan Jr. 💜

“ I got to know Nathan working with him at West Middle School. He had a huge heart, loved his West family and his West family loved him. I remember after he took time off for his heart issues, he just wanted to get back to work and be in the building. I am going to miss him and our honest talks and conversations about life and anything that came to mind. Until we meet again.

“ *Nathan also known as Fatman to my family, he was given that nick name by my father whom it respected and looked up to a lot. My best memories is when he would let me have his car on the weekends to go party, while he drove his other car and if I saw his car at a particular club I would keep driving. We had a lot of laughs together. His smile will be smiled.
Love you Fatman*

My Mom and Dad, Edwina and Harold Broussard, were so very fond of their nephew, Nathan Jr. Mom often talk about the time he took them on a Caribbean Cruise, with Aunt Vera. They had such as good time. Cousin Nathan will be missed by the Franklin Broussard Clan. Rest in Peace!, Cousin Marsha
