“ *What a man! He truly was a man among men. He took care of his entire family without complaint because he lived the motto, "family first". The mark he left on me are those that shine the most. I'm still trying to accomplish in life what he did. I'm still striving to make my pops proud of me. Thank you for the impressions...I certainly will pay it forward.*

*Love Your Son,  
Patrick*

“ *My dear only friend, Alice,  
Please know that Nathan (my other only friend) will forever bring fun and funny memories to me. I always enjoyed being in his presence because he always had funny things to say that made me laugh uncontrollably. You have been a model example of a woman who 'stands by her man'. Love and blessings to you.*

“ *Nathan and I go a long way back, in fact we attended the same elementary - junior high school. The great Ned E. Williams High School. I married Nathan's first cousin Milton. Nathan and Faye were very close to us for years before relocating to Colorado. I last saw him at the 2013 Portley Reunion. I thank God for allowing me to know Nathan for such a long time. He was like a dear brother to me. I pray that God will give added strength to Faye, the children, grandchildren, Ona & S.M, James Ray and all the family during this time of sorrow. RIP Nathan, your precious memories will forever live in our hearts.*
