“ I’m deeply saddened that I couldn’t be there today to say goodbye and celebrate my cousin Stanley’s life. Even though I missed the service, my heart, thoughts, and prayers have been with you family and friends who gathered to honor him.

Stanley touched so many lives with his kindness, humor, and good-spirited vibes. He had a way of making people feel loved, bringing laughter, and lifting the room with his presence. I know his children, grandchildren, and his brother Shannon will carry forward his light and love.

Though he may be gone from our sight, he will never be forgotten. Rest peacefully, cousin—till we meet again. Love you, cuz. 💙
