“ Opal was a very kind and gentle woman. I enjoyed sitting on her porch and sharing an ice cream and visiting with her. She was a very pleasant neighbor. She is now in the arms of our savior.

“ I remember when you first retired I ask you weekly, " what did you do today?" You'd smile and say, "hmmm nothing much " I looked to you as an example of what I would look forward to in retirement. Well Mother I proudly echo your reply, "hmmm nothing much." Now take your well deserved rest God's faithful servant ❤️

“ Mother Dews always had a kind word. A presence that exuded love and peace. There was a calm welcoming spirit within her that summoned respect from all. I'll miss running into her at the Golden Coral. Rest well Mother Dews.

“ Mother Dews, I know our dear sister/friend, Leah Gilmer, greeted you with open arms —showing you much love when you walked through heaven's gates. I will forever remember those wonderful times the three of us had eating at Furr's Cafeteria after church. You were such a blessing with your warm, sweet spirit. “ Our deepest condolences to the Dews family. Please know that your family are in our thoughts and prayers, especially during these sad hours! During these times please remember that our God promised, "to be absent from the body is to be present with the Lord". As recall the soft spoken and sweet spirit of Mother (Mama Dews), our prayer is that you'll continue to remember those sweet precious memories in the quiet times also! Mama Dews have beat us into the Glory Land, we whom yet remain unto our name to be called.
