“ *May you Rest In Peace Ritha, I will always love you I just wish I would have had more time with you, but the time I did have with you I will always cherish every moment. I am still in denial that you are gone. I was your caregiver, your friend, and the daughter you never had, I will never forget you, I Love you Ritha, you are gone and will NEVER be forgotten.. Nette, Jackie, Ruth, And Lee you guys are in my prayers, and I'm now a part of your family, please keep in touch and I will as well*
