“ Dear June, Billie, all of Rita's family, I do wish I was there with you. All my condolences to you all. I remember Rita with the sweet face, and smile you'll just come to remember the very best of times ♡ And just as we remember days gone by we'll look ahead to the best days to come. Let the sun shine beautifully, and stars light the night~ we are strong we are sure and we'll be alright! ♡♡♡♡ Your friend always ~ with love and laughter Debbie

“ Dear Family, I was saddened to learn of Rita's passing. I know that though you had a little time to prepare, that it doesn't make the sting any lesser. But find peace that her earthly struggle is over, and she now rest with her LORD and Creator...praying with you all.
