“ I would like to share a loving memory of my big brother Robert as well as offer my condolences. As a child we spent a lot of time together. He was always loving, kind to animals, popular at school and a great basketball player. He gave his life to Christ at an early age and served in the church until his death. He was a great singer who could especially sing the song peace in the valley. I will always treasure the last conversation and good time that we were blessed to share. From the bottom of my heart, from me and my family to all of Robert's family and friends I offer my sincere condolences.
