Bitch decided to take the plea to 8 yrs. Not nearly enough for your life. She ruined life's the day she stole yours. I'll never been there same. My life has drastically changed.

Seb, you are loved and sorely missed.

“ I miss you! Having to get used to you not being here is hard. Extremely hard! I have a huge void in my life. A void that can never be filled. I just finished my second week of treatment, alone. Not being able to see, talk or text you is extremely difficult for me. I wish I would've rode with you that day, cuz I honestly feel you'd still be here, only because we would've been doing something different. I'm having a really difficult time adjusting to life without you!

I love you, my pretty brown eyes! 💜🥺

“ Not a day goes by without me thinking of you. We were all we had... through the good and the bad. I was your backbone and you were mine. My heart literally hurts for you. I long for you, your touch, your presence. It's tearing me apart to know that I will never see you, touch you, smell you. You're no longer tangible to me. Taylor is not taking it well either. She said you were more of a dad than her real dad, and she misses you so much. My life without you is surreal. I don't know how to accept it. I don't know how to live without you...but I know that I'll have to...one day. 😞😞😞

R. Bridges - July 28, 2017 at 10:38 AM

“ I miss you so much! It's not the same without you. My life will never be what it was with you in it. We been through so much, Seb. We had an unbreakable bond. We've been in each other's life for 24 yrs. How am I supposed to move on without you? We had plans. We knew what we wanted and where we wanted to be... And our dreams were taken from us on 7/5/17. I'm left here all alone 😞😞 You're all I had. needed. wanted.

I'm so lost without you 💔

Love always and forever,

Your wife

“ *I miss you so much Sebastian! I can't wait to bring you home. I don't know how I'm suppose to move forward without you. This wasn't a part of the plan...our plans at least, but it was the Lord's plan. I'm devastated, heartbroken, and overwhelmingly lost. My mind is gone. You always told me how strong I am and how much of a survivor I am, but losing you, broke me completely down! Surviving without you is going to be difficult! I'm having to fight everything alone. You was my hype man! We was gearing up for my next round of treatment at the end of the month.*

Never expected our life together would be prematurely cut. You were all I had, wanted and needed. Apart of me is missing, and without you in it, my life will never be the same.

Rest easy my love

Love always & forever,

Your wife

“ My heart is so heavy Seb! This by far has been the hardest thing for me to deal with 😞
😞 I'll never see those pretty brown eyes again. I'll never hear the words "I love you, B!" or "I'll be back." I'll never get to feel your touch. You were my everything, and still is. We had plans of getting our own home and growing old together, that's all we wanted. All you wanted was your bird.

You looked so handsome yesterday. You can finally rest now. Until we meet again my love

Love always & forever,
Your wife, your forever girl

“ Sebastian, I miss you so very much! 😞😞 My heart is completely broken, shattered into pieces 💔💔💔! On July 5, 2017, my life was drastically and dramatically changed, forever! You had left the house a few hours prior, asking for me to ride with you; I declined. Your last words to me were, "I'll be back". I watched you from the window like I always do, not knowing that this would be the last time we'd ever see each other again. No words can express my sorrow and the pain I feel. You were my husband, my rock, my confidant, but most of all you were my best friend! You had me like no other. Through sickness and in health; until death do us part. I was not at all prepared for this! I'm so lost without you. Don't know how I'm going to make it without you! I will always love you SB! My pretty brown eyes!

LOVE ALWAYS & FOREVER,
your bird; your Raven; your forever girl; your wife

Hi Baby, we don't know each other but I wanted to let you know that I hurt for you...Your comment was so beautiful and on point...You will be in my prayers...its quite a coincidence that we both called him, "Pretty Brown Eyes"...him and Marselleus were very close and he purchased the suit Marselleus was buried in...Please let God heal your pain...it may take years to come to terms with this and only God can give you that release...I hope to meet you...My Sympathy is with you...Peggy Harper
