Trisia, I miss you already. I remember growing up how much mischief we would get into but it always seemed to work out. You and your family were always there when I needed you including uncle Merle, when I needed a truck to move. RIP cousin you'll be truly missed. Tootsie, Morris and McGee family.

“ Tressa was a delight to all that were around her. She showed absolute Mississippi hospitality to all who came into the House 🏠 of Redd. I need to mention “Tressa was an outstanding cook”. I learned a few moves about the kitchen from her! Yes, she will be missed.

A friend

My cousin was one fun young lady.
She would talk crazy, make you laugh, invite you over, put you out,. invite you over again.
She love to feed you and talk your head off, but in the end, She would say love you Cuzz.
I'm going to miss them calls and conversations. 💜💜💜
Love you Cuzz, Rest Easy!!!!
