“ *Venita was a wonderful Fairfax Street neighbor. It was a pleasure to talk with her when delivering the neighborhood newspaper or over produce at King Soopers. She was always so cheerful and full of good stories. It must have been in the 80's when only our block on Fairfax was snowplowed. We always gave credit to Venita for knowing the right people! My condolences to David and the family -- Tom Jensen*

“ I am so sorry to hear of the passing of dear Venita. My condolences to her family. Our paths crossed many times over the years and she was a tremendous resource for me when my husband William developed dementia. I also enjoyed engaging with her at the Black Genealogy Search Group meetings.

“ Venita was my boss in the early days of the Webb administration and she was smart, kind and decent. I was lucky in that we remained friends for the rest of our lives. She was a gift to all of us who knew her.

“ To the Vinson Family. I am visiting with my son and family in Honolulu. She and my husband met during a medical appointment and we ended up doing the genealogy meetings together. Please accept my condolences and know that she is with the Lord and all is good. God is good and everything will be just fine. Love,

“ My condolences to the Vinson family. Venita and I worked together for congresswoman Pat Schroeder in the 1980s and 1990s.. She was a warm, savvy person. She seemingly knew everyone in politics in Denver, and was always one step ahead of them. That made her a valuable member of our team, and a delight to work with. Dan Buck
